# Thank you for your interest in Portland College.

Please complete this application form with as much information as you can, the more details we have, the better we can support you.

#### Please ensure that you enclose your most recent Education Health Care Plan (EHC plan).

### Failure to evidence information through your EHC plan or this application form will delay your application being processed.

Once we have received your completed application form and EHC plan, our Admissions team will contact you to arrange an assessment.

After this assessment, should our Multi-Disciplinary Team feel that we can support you and your needs, we will contact you to offer a placement which will be subject to funding. Should this offer be accepted by yourselves, we will then create an Initial Assessment Report which will be sent to your Local Authority as part of a funding request. You will then be contacted directly by your Local Authority to inform you if funding has been agreed and your place at Portland College confirmed.

If you would like to extend your personal and social progression around your education programme, we have Portland Freedom based on the same campus. Portland Freedom is assessed and funded separately to the education provision.

Portland Freedom has been designed to meet your specific individual requirements, offering Day Centre services, Short Breaks and an Independent Living service, all with a range of bespoke and structured schedules.

For more information, please contact the Freedom team on **01623 494322.**
