Following receipt of a completed application form an assessment at college will be arranged. Some may require an external assessment where most appropriate first.

Assessment at Portland College.

Should Portland feel we are able to offer an appropriate placement, a conditional offer will be sent to the learner in writing. (All placements subject to funding being agreed from the individual learner's Local Authority).

If you accept our offer of a placement, our Initial Assessment Report will be completed. This report forms part of the funding request. Once the Initial Assessment Report is completed it will be submitted to the commissioning manager of your Local Authority.

Should funding be agreed and Portland receive written confirmation of this, transition into the college may begin.
